

A new Sunrise - Storyboard

1. Prologue

Shadow and shade, as in Jason's mind, nothing is clear, all is pure confusion... Zoom in Jason's crying, Zoom out to see what happening in his desperation...

2. Fall in to the past

Chaos that rewind the past, when SHE was with him... So beautiful moment that hurt Jason so much. Georgina's eyes, private moments, the daily routine now disappeared...

A new Sunrise - Storyboard

She go away, close the door of their love... Her face fade out, but past is impossible to erase...

3. Desperation

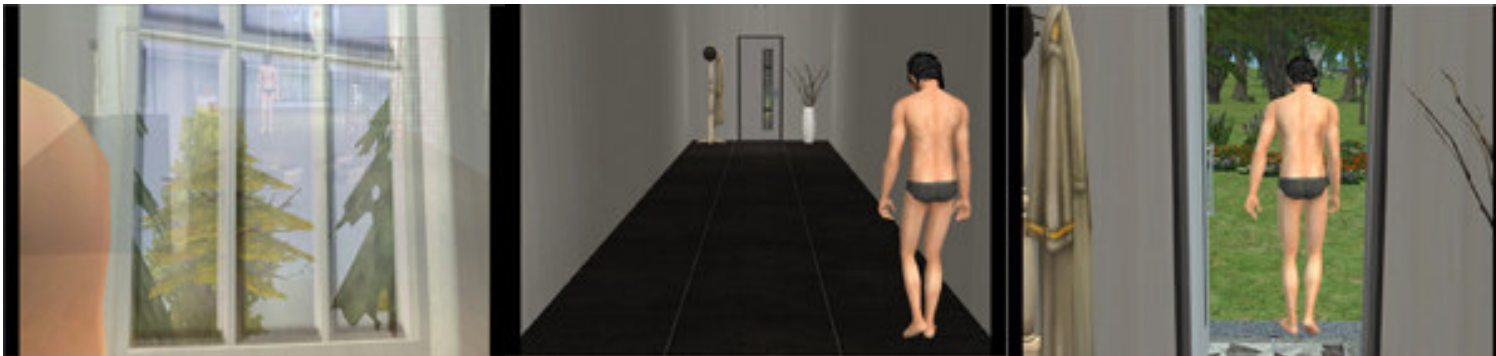

The house of colour and smile is now grey and sad. Jason is crying and in the room only beer and boxes. Is another desperation day. Night and day again, now colours seems to appear...

A new Sunrise - Storyboard

Jason wake up and seems to go closer the windows... He look out and see a new sun... perhaps a new Sunrise waits him...

4. Towards a new way

Jason is hoping, he wants find and try a new way... He walks on the long hallway, into the dark until the light of a new day out of the house where everything was so pure... First person and external view alternate theirself, as a fight between his wants and a sort of big brother eyes (or a sort of a Truman Show)

A new Sunrise - Storyboard

On the top of the hill all it sound so clear, but another time night with its darkness is coming....

5. Evolution

The secret to find a new sunrise is come back to the time when everything was so pure... nothing better of the baby age, when all it seem so fantastic...

A new Sunrise - Storyboard

6. A new Sunrise

Jason become baby, wake up and walk away... The world is now different, with the baby eyes all plants are fantasy creatures, and flowers are ice creams and lollipop... but this world is not real, is a dream... but these fantasies can bring everyone to a new sunrise, a new happiness that anyone can hurt and destroy, because is locked in our dreams.
