

THE SIMS 2 KITCHEN & BATH STUFF

The Sims 2 saga grows with the release of a bonus pack entirely dedicated to kitchen and bathroom's furniture: **Kitchen & Bath Interior Design Stuff** is absolutely fundamental not only for designers who love to collect objects for two of the most important rooms of the house, but also for everyone who likes to give a touch of realism and homely style to their Sims.

The stuff pack provides 60 items, as usual, in classic and modern style, including: two kitchen set with related appliances and decorations (exhaust fan, jars, salt shakers, etc.), two bathroom sets with towels and mirrors, some paintings, new everyday and pajama clothes and new hairdos, as for example towel turban and bandanas for your housework.

Don't miss this fantastic pack to furnish your homes!
